

Club Championships - 18th July 2010

Poole based Wessex Diving Club held its annual Club Championships on 18th July 2010 producing a close and high-quality competition.

The Club is in its 34th year run entirely by volunteers and still attracting youngsters and adults from all over the County to this exciting sport.

Beth Stannard, Secretary and President, praised the efforts of all involved in keeping the club running. Diving has had a particularly high profile in recent years with the achievements of Tom Daley and the excitement of 2012 and the club hope to continue coaching novice divers at grass roots level to give everyone a chance to give diving a go.

At the Championships the club also recognised 3 long standing members who have been involved with the Club for over 30 years - Ron Nicholls (founder member), Peter Morris (still coaching today!) and Ray Clarke by presenting them with an engraved coaster and making them Life members.
