

Club Championships - 10th July 2011

Wessex Diving Club, based at the Everyone Active Leisure Centre, Poole held its annual club championships on 10th July 2011. The number of entries was disappointingly low but the divers competing produced another encouraging performance. The club, now in its 35th year, runs on a voluntary basis, therefore keeping divers' fees to a minimum. Beth Stannard, President and Coach reported that numbers within the club were low at the moment and would love to encourage more people to come and give this exciting sport a try. The club caters for anyone aged 6 to adult and offers the first hour lesson FREE. If anyone fancies taking the plunge contact Beth on 01202 678886
