

## **Club Championships - 7<sup>th</sup> July 2013**

Wessex Diving Club held its 2013 club championships on Sunday 7<sup>th</sup> July. Due to the increased number of new members, following the Olympics, for many this was their first taste of competition and our newer divers did not disappoint.

In particular Will Philpott, 11, who had broken his finger the week before, managed to compete in both the 14 and under and the men's springboard. He was just beaten in the 14 and under by Charlie Rodwell, another rising star in the club. However, Will went on to achieve gold in the springboard event – despite a slight scare in practice when he had to push himself off and away from the board when mistiming an inward take off.

Beth Stannard, Coach, expressed how pleased she was with the divers, particularly the beginners and improvers who competed to the best of their ability.
